We all want peace and justice,

(To the tune of Silent Night)

1.
We're not silent tonight
About human rights
We won't hide
Israeli apartheid
About the Golani Brigade we must speak
out
To everyone listening we want to shout
Boycott Sabra & Tribe
Boycott Sabra & Tribe.

2.
Don't be silent tonight
About human rights
In Palestine
Nothing's fine.
Non-violent protest is the way for us all
To build a movement for justice-
sign on to the Call
Boycott Sabra & Tribe
Boycott Sabra & Tribe.

3.
We're not silent tonight
About human rights
Violations
By many nations
We stand in the cold so that truth
will be told
International law is
for governments to uphold
Boycott Sabra & Tribe
Boycott Sabra & Tribe.

4.
Don't be silent tonight
About human rights
It's a choice
Use your voice
We gather together to express our
frustration
About Palestinian suffering under Israeli
Occupation
Boycott Sabra & Tribe
Boycott Sabra & Tribe.

5.
We're not silent tonight
About human rights
Starting now
Consider how
To use consumer power
at stores like Fresh Grocer
Pass by the Sabra and Tribe
and tell management "No sir!"
We Boycott Sabra & Tribe
We boycott Sabra & Tribe.

Boycott We Have Heard On High

Way back in 2005,
Palestinians asked us all:
Please help keep our hopes alive
Please support the boycott call

Please don't buy from companies
That make a priority
To help steal Palestinian land
And do it with impunity

Sol-i-darity
Don't buy Sabra Hummus
Sol-i-darity
And also please don't buy Tribe

Boycotting Israel is the way
We who care for human rights
Show our solidarity
While avoiding force and might

Sol-i-darity
Don't buy Sabra Hummus
Sol-i-darity
And also please don't buy Tribe

*(wait for key change, then slower,
with feeling:)*

Here in Philadelphia,
We've responded as we could,
Now we ask this grocery store
bring justice in our neighborhood

Sol-i-darity
Don't buy Sabra Hummus
Sol-i-darity
And also please don't buy Tribe.

Boycott
Sabra & Tribe
Hummus

These companies
subsidize Israeli
human rights abuses.
Buy alternatives.

Hummus, Hummus, Hummus

(to the tune of Dreidel, Dreidel, Dreidel)

I have a little hummus
I made it out of beans
So as to keep my money
From funding war machines!

Oh - hummus, hummus, hummus
I made it out of beans
So as to keep my money
From funding war machines!

It has a lovely texture,
In taste it does outshine
Those brands Sabra and Tribe-
Without blood it is divine!

Oh - hummus, hummus, hummus
I made it out of beans
So as to keep my money
From funding war machines!

My hummus is always tasty,
And so easy to make.
A happy bowl of hummus
Come grab pita, and take!

Oh - hummus, hummus, hummus
I made it out of beans
So as to keep my money
From funding war machines!

Sa-ba-ra O Sa-ba-ra

Sa-ba-ra o Sa-ba-ra
destruction you're sowing
funding the military
where war crimes are growing
hiding abuse of human rights
Strauss is behind
supporting ethnic cleansing of Palestine

stop buying
Sabra
their hummus aids in the plan

to kill and displace
Palestinian people
and dispossess them of their land

Sa-ba-ra o Sa-ba-ra
destruction you're sowing
funding the military
where war crimes are growing
hiding abuse of human rights
Strauss is behind
Supporting ethnic cleansing of Palestine

Supporting ethnic cleansing of Palestine

(slowly)

Supporting ethnic cleansing of Palestine

Jingle Bells

Boycott Sabra
Boycott Tribe
Boycott all the way
Take the Sabra off the shelves
And let's begin today.

Do not buy
Do not buy
Don't buy Sabra or Tribe
Apartheid hummus is a crime.
Human rights in Palestine!

Boycott Sabra
Boycott Tribe
Join the boycott now
Oh what fun it is to tell
Fresh Grocer (Fuh Wah),
"Deshelve now!"

Boycott Sabra
Boycott Tribe
Boycott all the way
Take the Sabra off the shelves
And let's begin today.

To the tune of Darlin Clementine

In a tavern with my companion
Excavating for some wine
Found my hummus implicated
In the suffering in Palestine

Humiliation of a nation
By brigades who have free rein
Soldiers backed by Sabra Hummus
Chant "We're Golani, we are insane"

We say Sabra is macabre
On its war crimes we won't dine
Won't let it **near** our candelabra
Cause it's killing Palestine

None among us wants a hummus
If we **must** cross a picket line
When we learned what we'd been buying
Dreadful sorry, Palestine

It's ironic and demonic
And it's really not benign
Eating Arab food while paying
for the murder of Palestine

O my darling, I'm not quarreling
Just don't bring it to my house
Tastes like Human rights violations
Don't buy anything from Strauss

And Tribe hummus just among us
Donates **to** the **Jewish** National Fund
Stealing land from indigenous people
And that's **why** Tribe should be shunned

There is hummus
Right among us
We can eat, and sleep at night
Doesn't kill indigenous people
Stealing land and water rights

Sabra hummus, and Tribe hummus
We won't buy you anymore
You are lost and gone forever
Apartheid Hummus we abhor

"War To The World- Viva Palestina

remix" - lyrics by Evan

War to the world, our leaders say

No rights for Palestine

Apartheid walls and checkpoints

Apaches, bombs, and settlements

So many people killed

Our taxes pay the bill

Tell Israel to stop

This endless war

We rule the world with bombs and tanks

And say we stand for peace?

Blank checks and guns for Israel

No justice, peace, or freedom

We must do something now!

We must do something now!

Let's boycott the products

That fund this death

War to the world, why do we pay?

7 million dollars per day

It funds war & starvation

Let's end the occupation

Speak truth to power now!

Speak truth to power now!

The next verse is here so sing it loud!

War to the world, the time has come

To stand for peace and justice

Palestine deserves to be free

Let's end this damn catastrophe

Boycott Sabra and Tribe

Your money talks, DON'T BUY!!!

This Christmas stand up for Palestine
